

# Advantage Line Paint

## Description

Advantage Line Paint is a highly reflective acrylic paint designed for use on acrylic coated surfaces or asphalt pavements.

## Uses

Advantage Line Paint is used for line markings on tennis courts, playgrounds and recreational surfaces.

## Surface Preparation

Surface should be cleaned with compressed air and free from oil, grease, dirt and other foreign matter. Embedded dirt should be brushed thoroughly prior to any coating application.

## Mix Design

Use Advantage Line Paint as is – do not dilute.

When ordering Advantage Line Paint, figure 1 gallon per court or 450 lineal feet per gallon.

## Application

Advantage Line Paint can be applied to properly cleaned, dry color-coated surfaces or asphalt pavements by brush, roller or spray.

## Clean-up

Rinse tools with water soon after using. Dried material can be removed with an approved solvent.

## Shelf Life

Approximately 12 months

## Physical Properties

Weight/Gallon ... 11.2 lbs. per gallon

Drying Time ... Touch: 1 hour

Firm: 24 hours

Application Temperature ... 50° F and rising

## Precautions

Keep from freezing. Harmful if swallowed. Read material safety data sheets.

## Shipping Weight

5 gallon pail ... 60 lbs.

1 gallon jug ... 12 lbs.

**Warranty:** This product is guaranteed with respect to uniformity and quality. Since its use is beyond the control of the manufacturer, liability for damage shall in no case exceed the purchase price on the quantity of material used. Warranty is void on multi-coat applications if material made by other manufacturers is used with this product.
