

Advantage Line Sharp

Description

Advantage Line Sharp is a clear acrylic that is used to assure Advantage Line Paint will not bleed under the masking tape when striping a tennis court or recreational surface.

Uses

Advantage Line Sharp is used for line markings on tennis courts, playgrounds and recreational surfaces.

Surface Preparation

Surface should be cleaned with compressed air and free from oil, grease, dirt and other foreign matter. Embedded dirt should be brushed thoroughly prior to any coating application.

Mix Design

Use Advantage Line Sharp as is – do not dilute.

When ordering Advantage Line Sharp, figure 1 gallon per court or 450 lineal feet per gallon.

Application

Advantage Line Sharp can be applied to properly cleaned, dry color-coated surfaces or asphalt pavements by brush, roller or spray.

Clean-up

Rinse tools with water soon after using. Dried material can be removed with an approved solvent.

Shelf Life

Approximately 12 months
